MEMORANDUM FOR THE RECORD

I called [redacted]
[redacted] in Salt Lake City, in response to a query which he had made to CIA about approaching the Agency with a research proposal (DD/S&T 951-68). I was slightly flabbergasted when [redacted] said that someone from CIA had called on him a couple of days earlier. I asked if he could recall who it was, and he was unable to do so. I explained that a copy of his letter had been sent to some other groups who might possibly have an interest in the proposal, and I presume the representative was from one of those organizations. I invited him to call on me if I could be of any further assistance to him.
